

Paper scissors stone instructions – a game for 2 players.

- Cut out the blue square.
- Laminate both boards with gloss laminate for the score sheet.
- Each player makes a selection without the other players seeing. This can be with an eye point or a finger/fist point.
- When each player has had their go reveal the choices.
- Paper wraps round stone. Stone blunts scissors. Scissors cut paper. The first of each of these gain a point and the second nil points.
- First to 5 is the winner.
- You can keep score on the score sheet with a dry wipe marker.
