

# Auditory Processing

## Full Circle Game

- Children are given an A4 letter
- Teacher gives a word and children holding those letters come to the front of the class.
- Say new word
- 1 child comes to front of class to replace 1 of the 3 children who were there.
- Repeat until you get back to 1<sup>st</sup> word - class shouts "full circle"
  
- Can write new words on white board
- Every time a new word is made the class says the new word, the phonemes and then the new word again.
