LIMELITE RATE CARD

We have put together a rate card showing our most popular hire items, we have also decided to show what quantities we have available in our hire stock , however this seems to increase on a daily basis!

Thomas
Litelite lighting has increased its amount of Thomas GP52 truss. Adding 10 x 3m and 8 x 2.5m to its hire stock.

Limelite takes over Skegness Beach Sound, Pyros, Lighting GO

THE NEW AVOLITE TIGER TOUCH
After visiting Plasa this year we have increased our Avolite lighting desk stock by purchasing the new Avolite Tiger Touch. Delivery is due early next year.

Limelite lighting has recently been involved in the lighting for the World Famous fireworks and music extravaganza held on Skegness Beach as part of the towns summer lights switch on. Limelite was invited to supply the lighting and crew for the event by Blue Boxx Ltd. who was project managing the job.

ROBERT JULIAT
With an ever increasing demand for high powered follow spots we have added 2 x Robert Juliat Ivanhoe 2.5k long throw follow spots to our hire stock.

BEYOND THE BARRICADE
Beyond the Barricade goes large for its 10th anniversary concerts and Limelite adapted the current touring rig for this event. Adding 2 trusses, additional moving lights and projection. Limelite is pleased to be touring the 2009- 2010 production with new venues include theatres in Spain, Malta and Denmark.

With High School Musical fever still running wild there was no better time to get involved in High School Musical 2. Using Pulsar LED Panels we created a wall of stunning effects.

PLASA
We now have 24 Pulsar Panels in our Hire Stock
