

Dear Mr Stevens,

A note to thank you so much for the outstanding service we have received from you and your company throughout our wedding preparations and on our special day itself.

Everyone was so impressed with car and the decorations, ribbons and flowers fitted in so well with our wedding theme - the car gleamed and we really felt like royalty. You managed to put all of the wedding party at ease - particularly the bride who was running slightly late!

Many thanks for your courteousness, professionalism and safe driving.
