

(Wedding 4th Oct.)

Dear Doug
x

Thank you so much for all that you did for us on our special day.

We really couldn't have wished for a more perfect day.

Your cars were absolutely lovely, and made us feel like celebrities on the day.

Please thank Bill for us and on behalf of Mum - she was so grateful for his help when they got back home.

Everybody who attended remarked on the cars, and we shall sort out a plot to send to you with them in it.

Once again many thanks for all that you did for us on the day, please give our love to Maya and all the best for your celebration next year - Simon & Paula xxx
