

Thank you

Dear Doug, 27.8.04

Just a little note to say thank you for driving us on our special day.

Even though you tried to get out of it by telling us you were booked, we got our own way in the end luckily, ha!

You were friendly and made me feel relaxed that's why I persevered to get you. Sorry the photos took so long but seeing them they were worth it. We had a fantastic day thanks for being part of it. Debbie & Mark.
