

26, Cornflower Close,

Dear Doug,

We wanted to write to you personally to thank you for the excellent service you provided for our daughter's wedding on Sunday 25th May. We were most impressed, not only with the car itself, but with your friendly professional^{ism} helping ease the 'nerves'.

The day went well and Jane looked beautiful.

A huge thankyou for helping to make our daughter's day so special.

Kind regards

Jean & John Cox.
